

ID200

Indirect Heater

Oil/Diesel

SURE FLAME

Specifications

Output

204,000 BTU/Hr

Efficiency

80%

Fan Rating

1530 CFM

Static Pressure

0.50

Heat Rise

58C

Outlet

1x16

Max Duct Length

50 FT

Voltage

120V – Single Phase

Amp Load (Max)

7.65

Flue Diameter

6 inches

Fuel Use (approx.)

5.8L/hr

Fuel tank

104.8 L

Weight/Dimensions

220 lbs 57x28x37

Features

- Simple to operate
- Standard pre-heated fuel filter
- 18 hrs of run time per tank of fuel
- Convenient fuel level indicator
- Lightweight and easy to move
- 10 inch pneumatic wheels
- Optional remote thermostat available
