

ID300

Indirect Heater

Oil/Diesel

SURE FLAME

Specifications

Output

293,000 BTU/Hr

Efficiency

80%

Fan Rating

2531 CFM

Static Pressure

0.50

Heat Rise

52C

Outlet

1x16

Max Duct Length

75 FT

Voltage

120V – Single Phase

Amp Load (Max)

11.8

Flue Diameter

6 inches

Fuel Use (approx.)

5.8L/hr

Fuel tank

134 L

Weight/Dimensions

297 lbs 69x28x44

Features

- Simple to operate
- Standard pre-heated fuel filter
- 16 hrs of run time per tank of fuel
- Convenient fuel level indicator
- Lightweight and easy to move
- 13 inch pneumatic wheels
- Optional remote thermostat available
